Heart & Hands January Volunteer Awards

KIM REED:

Kim Reed is the current Parent Teacher Organization (PTO) President overseeing committees to raise awareness of Assumption Catholic School. Mrs. Reed has served on the PTO committee for 3 years. She began as the Secretary, then was the Vice President and is currently the President of the PTO. She volunteers for numerous activities within the school, participates in many of the fundraisers and often chairs many special events all while being the classroom parent. In fact, she has chaired the annual Chocolate Fundraising sale for two years; which is our second largest fundraiser each year. In addition, Kim has also built a database to track and report parent volunteer hours to the school. Kim is a fabulous asset to the Assumption community and a wonderful leader.

ELLA PHILLIPS

Ella Phillips is a dedicated and silent volunteer. She has been volunteering for over 30 years washing, pressing and keeping all of the altar linens looking top notch, helping with the annual spaghetti dinner, and events throughout the years. She dedicates many hours a week to making the altar tablecloths, robes, carpal and purificators clean and ironed. She is a long time friend of the church and devoted to meeting our needs. We are so appreciative of the time and care that she gives to an often overlooked part of the church.

Catholic Schools Week

Is it a school with a parish, or is it a parish with a school?

It is a question I always consider when people ask me about Catholic Schools Week, though you might look at that opening question and ask, "What?"

It is a good question, because our parish communities have a mandate from the Gospel to preach the good news.

Moreover, that is exactly what a good Catholic school does. It is another one of the ministries of a parish: to educate well-rounded individuals in Gospel values, preparing those young individuals to take their eventual place in the larger secular community. All the educational efforts of the parish school are focused on the life of faith.

That faith is formed in knowledge of the teachings of the Church and of the Gospel, and those qualities are demonstrated through a life of service to the community.

A Catholic school is a community of faith, knowledge, and service, as a ministry of the parish community; and Catholic Schools Week provides a wonderful opportunity for us to reflect on whether we have "a school with a parish, or a parish with a school," and make sure our parish school is living its mandate from the Church.
