

History

Assumption church was built in 1912 and the school was started in 1920. Over the years changes have been made and additions built. The current gym/parish hall and kitchen was built in 1950 as an addition to the school. In 1964 the old bus garage, which was attached to the kitchen, was converted to become the present day cafeteria.

Since our parish hall/gym and kitchen are essentially 65 years old and showing their age, it is time to do some major renovation to have a safe, functional space for both parish and school use for many years to come. Additionally, we need to focus on building improvements to accommodate increasing enrollment and the future stability of our school.

What is still needed?

As of 4/11/2016, we have raised **\$233,537.50**. thanks to many of you, our parishioners as well as private donors.

- We still have a way to go to reach our goal of \$300,000 and **we need your help to get there.**
- ◆ If you have not contributed it is not too late!
 - ◆ Any amount, no matter how large or small will help us get there—remember the story of the widow's offering as Jesus taught us, giving from her last few coins rather than their excess as others had done!
 - ◆ If you have already contributed and are in a position to give additional funds, we certainly would appreciate your generous stewardship of treasure.
 - ◆ Remember our matching grant::

Parish Hall/Gymnasium \$50,000 Matching Challenge	
Total Collected	\$38,451.15
Total Needed	\$11,548.85

Matching Grant includes funds raised from the Brown Bag fundraiser, less 10% which was put into our Assumption savings.
